### STATEMENT OF COMMITMENT: SAFEGUARDING

*The Mercy Foundation acknowledges and recognises that every one is valued and respected and has the right to feel safe and therefore has a zero tolerance to abuse. We are committed to building safe environments for all who interact with the Mercy Foundation.*

**It is a condition of funding that grant recipients MUST HAVE A SAFEGUARDING POLICY.**

**You are advised to contact the Mercy Foundation (tel. 02 9911 7390) to discuss your project prior to completing this EOI.** This will give your project the best chance of success. You will be provided with an EOI number when you call the Mercy Foundation. Please enter the number here:

**EOI Number:**

The Mercy Foundation's Grants to End Homelessness program is for initiatives above \$5,000 and no more than \$60,000 per year. **The Mercy Foundation does not provide recurrent funding for projects.**

The focus is on initiatives that have the potential to make a contribution to **ending and/or preventing homelessness** in Australia, particularly where women are concerned. We provide **seed funding** to projects that build capacity and help create structural change and have the potential to continue after the funding period.

This grants program prioritises **permanent solutions** to people's homelessness. Crisis or short term responses are not funded by this grants program (see criteria for more information).

In this grant round, projects that focus on ending homelessness for **women from migrant, refugee and asylum-seeking backgrounds** will be prioritised.

This brief Expression of Interest Form replaces all previous application and proposal forms to the Mercy Foundation's Grants to End Homelessness Program.

If your EOI is successful, we will invite you to submit an application and proposal form. Moving to the next round following this EOI process is no guarantee that the Mercy Foundation will provide a grant for your project.
